

## HOW THE NATIONAL ROPS REBATE PROGRAM WORKS

The National ROPS Rebate Program offers farmers approximately 70% in rebates for rollover protection installed on unprotected tractors.

- ▶ Enroll in the Program by calling **1-877-767-7748** or visiting [www.ROPSr4u.com](http://www.ROPSr4u.com).
- ▶ Our team will provide you with sourcing information and cost estimates for eligible ROPS kits.
- ▶ When you're ready to purchase, contact us for pre-approval, which is good for 10 days.
- ▶ You order the ROPS kit and contact us by phone with final pricing information and shipping/installation estimates.
- ▶ You send us proof of purchase and installation. A W-9 form is also required in some states.
- ▶ We'll send you a rebate check for up to 70% of the cost of your kit and installation within 30 days!

## TRACTOR ROLLOVER FACTS

The fatality rate for farmers is **800% HIGHER** than the average American worker.

**TRACTORS** are the leading cause of death on farms.

Each year, almost **27 OF EVERY 100,000** American farmers die on the job.

Nearly **100** American farmers die in side and rear overturns each year.

**80%** of deaths caused by rollovers happen to experienced farmers.

**Around half**

of farm tractors currently in use don't have a certified ROPS.

A rollbar and seatbelt are **99%** effective in preventing death or serious injury in a tractor overturn.

## THE NATIONAL ROPS REBATE PROGRAM

The National ROPS Rebate Program is a voluntary program that provides rebates for approximately 70% of the cost of purchasing and installing a ROPS (Rollover Protective Structure; rollbar) kit. This rebate covers the ROPS kit (rollbar and seatbelt), shipping, and professional installation, if desired.

*Note: professional installation is required in Wisconsin; it is highly recommended for all states, however.*

Available funding varies by state. Sign up at [www.ROPSr4u.com](http://www.ROPSr4u.com) or contact **1-877-767-7748** for more information.
