THE NATIONAL ROPS REBATE PROGRAM

By the *National Tractor Safety Coalition*

December 2024 Update

“Thank you National ROPS Rebate Program. It’s a nice feeling knowing these older tractors are outfitted with ROPS from your program. The safety of me and people that work with them is important and the ROPS help a lot.”

-WI Farmer

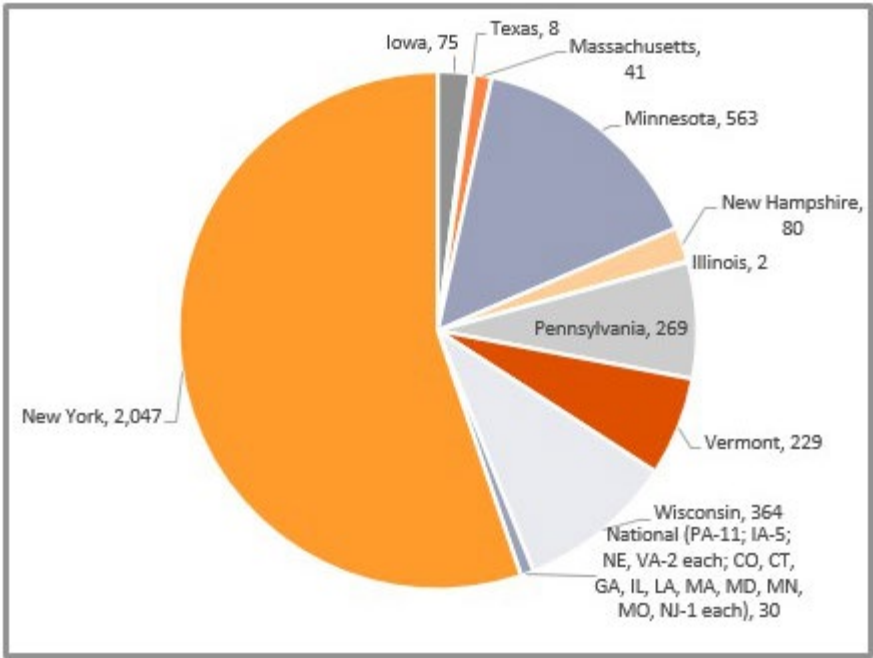

There are currently **2370** farmers waiting for ROPS

in 49 states.

Top Waitlist States:

Wisconsin: 239 | Iowa: 177 | Pennsylvania 137 | Ohio: 128 | Kentucky: 120
Missouri: 116 | Illinois: 104 | Vermont: 102 | Indiana: 98 | Texas: 89

Total Retrofits: 3,708 (90 from June 2024 through December 2024)

*These totals may vary due to farmers currently going through the program

NTSC News

The ROPS Program team would like to welcome Heather Brown who will assisting Program Coordinator Duane Martin on the ROPS Hotline. The Hotline is a critical element in connecting farmers with the resources they need to navigate through the process of installing a ROPS on their tractors. Heather's addition will help Hotline operations run more efficiently, eliminating gaps in service when the Program Coordinator may be away.

2025 will see a new look ROPS website. The current website has been in existence since the early days of the program and is in need of a facelift. We envision a website that will be easier for farmers to initiate applications and navigate to helpful resources they may need to complete the tractor retrofit process. Target date for launch of the new site is late spring or early summer.

If you have any questions pertaining to the ROPS Program, please reach out to info@ropsr4u.org.

National ROPS Rebate Program Website

The mission of the NTSC is to prevent tractor-related injuries and deaths in US agriculture by developing and implementing collaborative, stakeholder-drive, evidence-based solutions.
